

## How to Disable VMobility Desktop Sharing

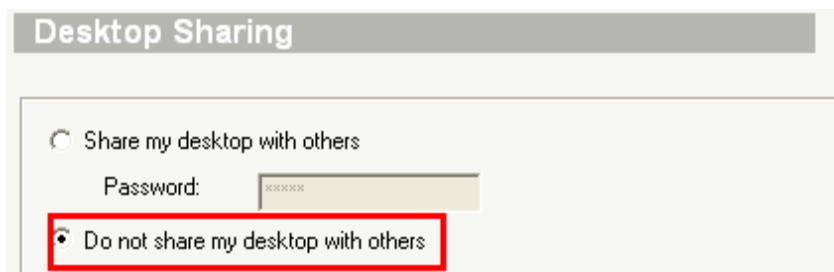

1. From the VMobility Client main menu, click on **Options + Preferences**.

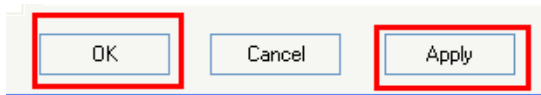

2. The **Preferences** window is displayed. Select the **Desktop Sharing** category.

3. Click **“Do not share my desktop with others.”**

4. Click **Apply** and **OK** to save your changes when prompted.

**Note:** Any existing VNC connection will be terminated as soon as you click the **OK** button.
